

Alutec Aluminum Composite Panel Warranty

Alutec LLC responsibility is limited to the replacement of material with manufacturing defects

The company guarantees the ACP Alutec product against wear of PVDF Kynar by UV contact for a period of 20 years, as well as its use and installation under normal conditions.

The customer is obliged to review the material at the time of delivery and make any claim or observation immediately.

In the event that any material may present a defect, the company, agreeing to the exposure of said defect, reserves the right and option to replace or repair the material under its cost.

The warranty does not cover damages arising from or caused by the following:

- When the material has been exposed to temperatures exceeding 70 ° C (158 ° F)
- For accidents caused by major force.
- When the material has been installed horizontally in a way that accumulates water, moisture or any type of contaminant.
- Lack of maintenance such as cleaning with soap and water.
- Incorrect storage before installation.
- Moisture damage due to condensation caused by improper packaging of the material prior to installation.
- Aluminum damage caused by transportation, processing and / or installation.
- Damage caused by scratches or wear during and after installation.
- When the edges of the panel have been left exposed to the weather during the installation
- The deterioration or damage of the material caused by aggressive climatological factors or corrosive agents not belonging to the composition of the same.
- In no case Alutec LLC will be responsible for direct, indirect, corrective, special events or with consequences that have damaged the material or for maneuvers of assembly and disassembly by replacement of the same.
- The guarantees of similar products or made by individuals will not be valid in reference to this one.
- This warranty is only valid for Alutec LLC products that have been used within 6 months of the date of purchase. After 6 months from the purchase date, the product must be examined by Alutec LLC to determine if the warranty is still valid for the product
